Examiner's Comment

Drawings

The label "AMENDED" should be placed at the bottom of the sheet.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The rejection of claims based on recapture doctrine is withdrawn. It is now understood that the phrase "positioned in the at least one groove" was inserted to put into better form the phrase "in which is positioned". The rejections based on a defective declaration is also withdrawn since the declaration now provides a proper error.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
